SUMMARY OF THE REASONS FOR DECISION:

The DVD entitled *Dark Side III The New Dimension* is classified as:
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The DVD mainly contains the feature of the same title, which explicitly depicts adult sexual activity. The feature is substantially the same as that originally examined as a video recording and classified by the Classification Office (OFLC Ref. 200184). The restricted classification, objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years, was registered in March 2002. The descriptive note 'Contains explicit sex scenes' was attached to the video recording. This DVD version of the feature is 33 seconds longer due to the inclusion of two short notices in the feature running time.

In addition to the feature the DVD contains six trailers previewing other explicit sex features, two 'interactive sex' components, simple profiles of the female cast members, a 'photobook' of still scenes from the feature, feature 'production notes', and three notices. Most of these components are contained in the 'Extra Materials' option of the main menu. Though this content adds to the extent to which degrading sexual conduct is depicted in a limited way, the classification given to the original feature is sufficient to prevent likely injury to the public good.
